

Birthday Parties

Dear Parents,

Birthdays are a special day for your child. If you would like to celebrate your child's birthday in school, please let me know a week in advance. Celebrations are scheduled for the last hour of the school day to minimize disruption to the academic schedule.

Please follow these tips when planning:

- Check with me as to how many students are currently in our class.
- When providing food, I encourage you to offer healthy snack choices as suggested on the School Parties and Celebrations flyer sent with this letter.
- Please provide me with the necessary paper goods to go along with the snack.
- In place of providing a food focused celebration, consider honoring your child's birthday by donating playground equipment such as balls and jump ropes or donate a book to the library or classroom.
- It would be a wonderful opportunity for you to read the book to the class as part of the birthday celebration. If you would like to do this, please let me know and we can set up a time.

If you have any questions, please contact me.

Sincerely,
