

School Parties and Celebrations

Schools have an extraordinary influence on the development of lifelong eating habits and other healthy lifestyle patterns. The occasions when students can practice making healthy food choices at school serve as opportunities to reinforce the nutrition knowledge learned in the classroom. Additionally, school parties are an opportunity to put food in its proper place as a complement to the fun and not as the main event.

Non-Food Ways to Celebrate

- ♥ Donate a book to the school library or classroom in honor of the child's birthday with a personalized gift acknowledgement inside.
- ♥ Donate playground/physical activity equipment- jump ropes, balls etc.
- ♥ Celebrate with active games chosen by the students.
- ♥ Have a dancing celebration.
- ♥ Engage students in a special art project.
- ♥ Go for a fun run with the principal or local hero (fireman, mayor, athlete).
